Final programme Addendum

The COA wishes to draw your attention to the following important notes and additions to the 2007 Final Programme for the COA Annual Meeting in Halifax. We are sorry for any inconvenience these have caused.

1. Paper #119, *Functional outcome of supracondylar femur fractures*, includes co-authors S. Ward, B. Escott, D. Beaton, E. Kovacs, N. Aslam, R. Abughaduma, M. McKee, J. Waddell, H. Kreder, E. Schemitsch.
2. The COA gratefully acknowledges the unrestricted educational grant provided by **Synthes Canada Ltd.** for the costs associated with Symposium 2, *Damage Control Surgery in Treatment of Trauma Patient: Where Does It Fit in Canadian Orthopaedic Surgery in 2007*, on Friday, June 1.
3. The COA gratefully acknowledges the unrestricted educational grant provided by **KCI Medical Canada Inc.** for the costs associated with the *Executive Committee and New Member Luncheon on Saturday, June 2*.
4. ICL #14, *Trauma Rounds of Shoulder and Knee*, will be moderated by Dr. Pierre Guy of Vancouver, BC.
5. The Tips and Tricks session for the Trauma Subspecialty Half Day, moderated by Dr. Emil Schemitsch, will include the following presentations:

How I fix a supercondylar femur fracture (33 A and B) - **Paul Duffy**

How I fix a distal femur fracture (33ABC) - **Hans J. Kreder**

How I fix a comminuted tibial plateau fracture - **Rudy Reindl**

How I fix a comminuted proximal shaft tibia fracture - **S Yach**

How I fix a pilon fracture (ORIF) - **David W. Sanders**

How I fix a talus fracture --**Pierre Guy**

6. Please note early start time of **8:30 am** of the Arthroplasty paper **session 11** on Sunday, June 2
(no change from printed programme).

7. General Electric Healthcare will unfortunately no longer be in attendance in the Metrocentre and Novartis Pharma will be occupying a 10x10 booth instead of a table top booth. Please visit the Novartis team at booth 137!
